Attached is a copy of the postcard delivered to the Patent Office with the present application which states that executed Declaration was included as part of the application. The

post card was stamped by the Patent Office with application No. "09/832,731" and returned to Applicant. Also attached is a copy of the executed Declaration that was submitted together with the subject non-provisional application. Applicant can only speculate that the Declaration filed by Applicant on the above-referenced filing date may have been misplaced by the Patent Office.

In any event, Applicant hereby asserts that the attached Declaration was submitted with the application on the above-referenced filing date of April 11, 2001 and submit the attached Declaration of Dwight Peck in support thereof.

The Conditional fee of \$65.00 as set forth in the Notice to File Missing Parts of Non-Provisional Application accompanies this Petition. Because Petitioner alleges that no defect caused by Applicant exists, a refund of the petition fee is respectfully requested.

Respectfully submitted,
